MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Joint Commission on Accreditation of Health Care Organizations (JCAHO) Services Provided by the U.S. Army Center for Health Promotion and Preventive Medicine

1. We are currently scheduling FY06 site visits to Medical Command (MEDCOM) Health Care Facilities with JCAHO inspections planned for 2006 and 2007. The schedule is included as an enclosure. This service is provided to you at no cost.
2. We offer you an ongoing partnership through quality; comprehensive review of your JCAHO status in the Environment of Care areas including safety; fire prevention, security, emergency management, hazardous materials and waste, medical maintenance and utilities. We identify issues and provide immediate and long-term assistance with remediation of deficiencies. Some of our visits are planned with the MEDCOM Command Logistics Review Team.
3. Our Occupational Safety and Health Managers have more than 13 years experience in JCAHO consultation. They are experts in interpretation and application of JCAHO, National Fire Protection Association, Occupational Safety and Health Administration and other pertinent regulations and practices. They are available for site visits, repeat visits, as well as telephonic and electronic mail consultations.
4. We have an informative web site, <http://www/chppmsafety.com>, where you may find the latest information on health care facility accreditation, the JCAHO schedule and our schedule.
5. If you would like to schedule our services, please contact Ms. Sandra Monk at 410-436-3161 or electronic mail at [Sandra.Monk@us.army.mil](mailto:Sandra.Monk@us.army.mil).
